About myplace youth and community centre

Myplace is a youth and community centre in Harold Hill. We serve the community by providing a welcoming space to visit for educational, health, cultural and social activities.

The building boasts an impressive performance/conference hall, meeting room, recording studio, games room, cafe, youth room, health room and counselling rooms. Our partners in the building provide physiotherapy, counselling, training, refreshments, soft play, pre-school and guidance for young people and the community.

Performance/Conference Hall

This is our largest and most impressive space at myplace.

Set up with multi use functionality, the Hall can be hired for anything from children's parties and dance classes to theatre performances and large scale conferences. The room comes with its own adjoining toilets and changing rooms.

This space can hold up to 200 people.
Room size is 258m²

Large Meeting Room

Designed to provide an exceptional meeting space this room comes with a built in projector and screen with built in speakers.

Tables and seating can be changed to suit individual requirements.

This space can hold up to 45 people.
Room size is 65m²

Youth Lounge

A fun space that has easy access to the car park, it comes with a sink, sofas, TV's, pool table and plenty of power points.

This is an ideal space for youth or creative sessions but can just as easily be used for small meetings.

This space can hold up to 30 people.

Room size is 50m²

Games Room

A large, bright and airy space, the games room provides the perfect environment for fun.

With colourful panels along one side and equipped with multiple gaming facilities the room can be hired for anything, including group sessions, creative meetings and children's parties.

This space can hold up to 80 people.

Room size is 140m²

Music Studio

Equipped with state-of-the-art recording equipment, a number of iMacs complete with creative sound and image software and a number of instruments, this space is ideal for those looking to produce an album or practise their musical skills.

This space can hold up to 10 people.
Room size is 25m² (instrument room), 23m² (editing suite)

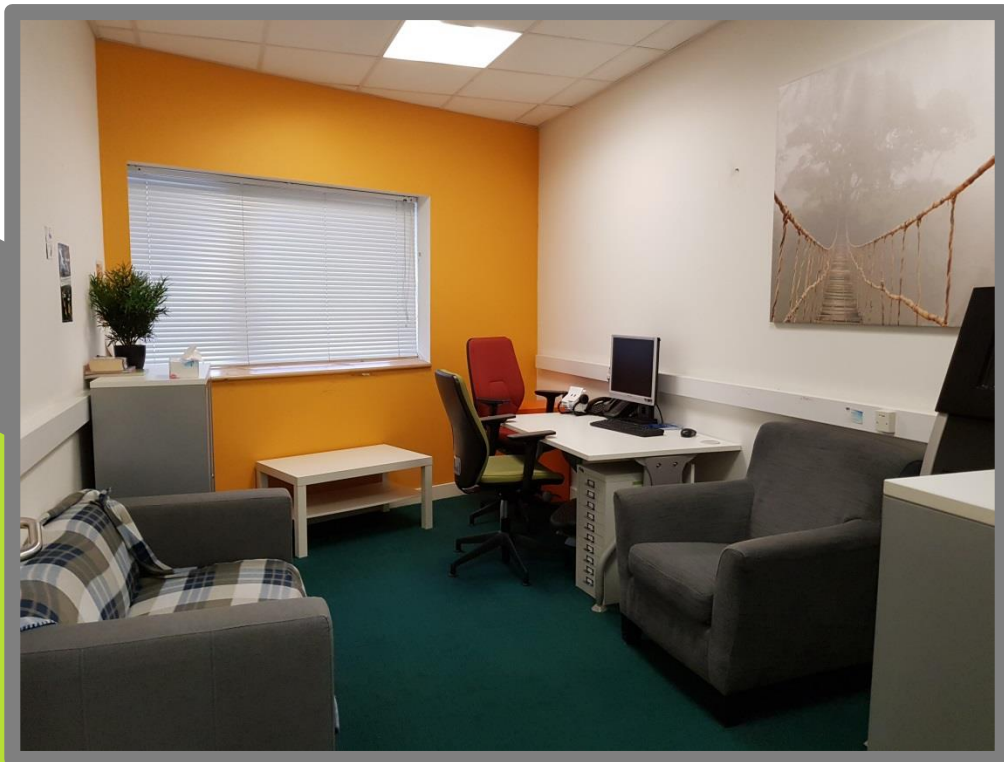

IAG Room

A compact room, suitable for interviews, counselling or office space.

This space can hold up to 3 people.

Room size is 13m²

Counselling Room

A compact room, suitable for interviews, counselling or office space.

This space can hold up to 3 people.

Room size is 14m²

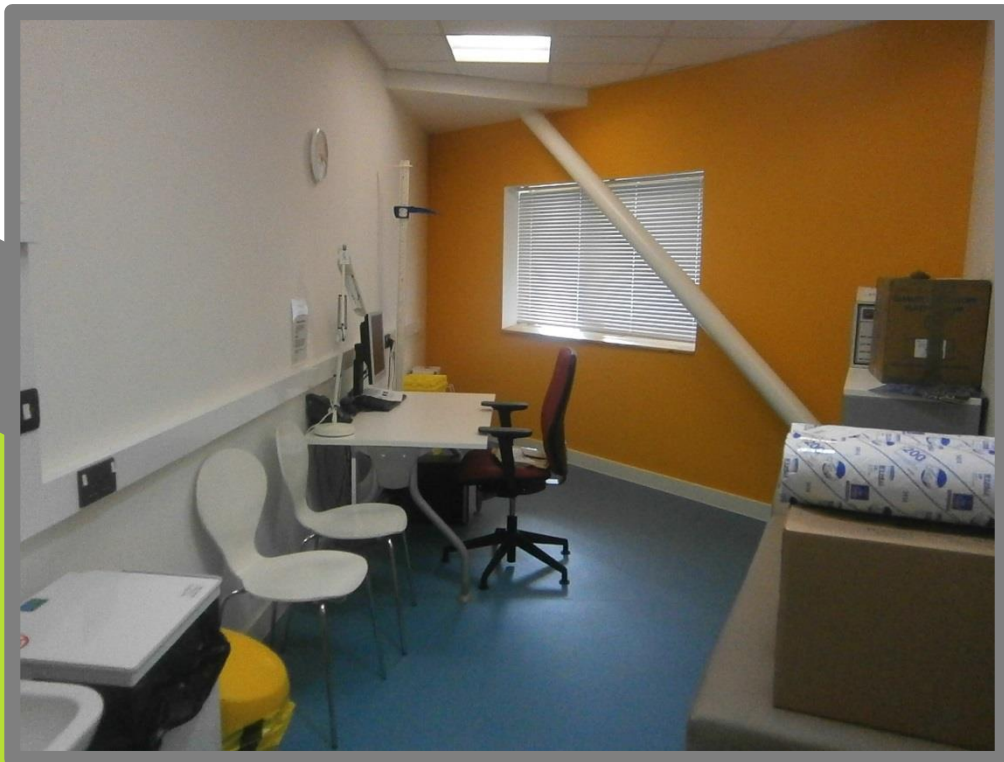

Health Room

This space is ideal as a nurse's or physio room, complete with treatment bed and desk. It can also be used for counselling sessions, physio treatment and health checks.

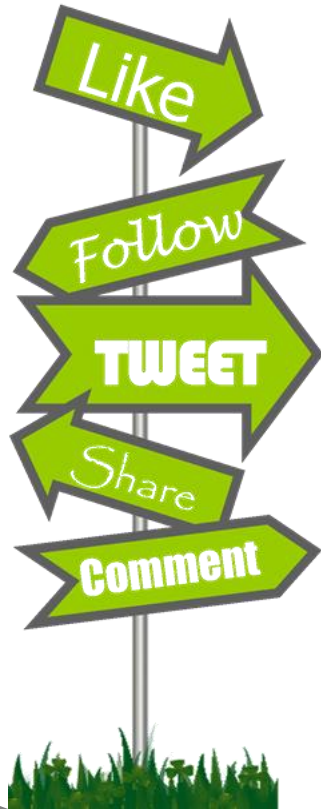

This space can hold up to 3 people.

Room size is 15m²
